*Sea Camp* programs are led by Bob Carroll. He has a masters degree in marine science, 30+ years of experience leading field trips all over the Chesapeake Bay and has been a classroom teacher for the past 20 years (currently at Norfolk Academy). Our camps use kayaks, soft-top surfboards and nets to play and investigate our local estuarine habitats. Every camper wears a life jacket when we are in water of *any depth*. All camps run from 9 AM – 3 PM. Proceeds support our award-winning student oyster restoration program in Virginia schools. Bob can email you an itinerary of a typical *Sea Camp* week, if you would like.

**To Register:** Mail this form together with full camp payment. Checks should be made payable to *Oyster Reef Keepers of Virginia, or ORKV*, and mailed to:
